

Curriculum Vitae for Melissa Byatt

Experience and Expertise

Melissa Byatt is a Forensic Analyst, having joined the Delbridge Forensic team in September 2016. Prior to joining the Delbridge team, Melissa had two years experience in bookkeeping for small businesses across a range of industries.

Melissa's background provides her with a sound basis for analysing financial statements and transactions, and she is now applying those skills to detailed transaction reviews and business valuation assignments.

Professional and Academic Qualifications

- Bachelor of Commerce, University of Newcastle
