

Curriculum Vitae for Melissa Byatt

Experience and Expertise

Melissa Byatt is a Forensic Accountant, having joined the Delbridge Forensic team in September 2016.

Melissa assists in the preparation of valuation reports across a range of industries, and from small enterprises to large, complex groups. Melissa also assists in the analysis of the taxation consequences arising from property settlements or orders of the Court, and the investigation of transactions for a variety of litigation matters.

Professional and Academic Qualifications

- Bachelor of Commerce, University of Newcastle
- Completing Chartered Accountants Program
- NSW Justice of the Peace
