

## Curriculum Vitae for Elizabeth Shortis Forensic Manager

### Experience and Expertise

Elizabeth Shortis is a Forensic Manager and joined the Delbridge Forensic Accounting team in February 2023.

Prior to joining the firm, Elizabeth worked in a forensic accounting consultancy, preparing expert valuation reports for Family Law purposes. Elizabeth has also worked in Supply Chain Management consulting, providing expert advice to improve internal business processes. Elizabeth also has a previous four years' experience in public accounting with a Big 4 firm, where she gained skills in external auditing and assurance practices for listed, non-listed and not-for-profit organisations across a wide range of industries.

Elizabeth assists the Directors in the preparation of expert reports including the valuation of businesses and equity interests in a wide variety of industries.

### Professional and Academic Qualifications

- Member of Chartered Accountants Australia and New Zealand
- Bachelor of Commerce / Bachelor of Arts, University of Sydney
