

Curriculum Vitae for Jamela Camille Manalastas Forensic Analyst

Experience and Expertise

Jamela Camille a Forensic Analyst, having joined the Delbridge Forensic Accounting team in July 2022. Prior to joining the Forensic team, Jamela Camille had two years' experience in General Accounting in a Business Services environment, primarily dealing with accounts preparation, financial reporting, bank reconciliations, and analysis of inter-entity loan accounts.

Jamela Camille's background provides her with a sound basis for analysing financial issues, and she is now applying those skills to detailed transaction reviews and business valuation assignments.

Professional and Academic Qualifications

- Bachelor of Science in Accountancy, Polytechnic University of the Philippines
