

## Curriculum Vitae for Christian Southward Associate Director

### Experience and Expertise

Christian Southward is an Associate Director of Delbridge Forensic Accounting having joined the team in February 2024.

Prior to joining the firm, Christian worked in several CFO and executive roles across a range of industries from which he has gained a strong commercial and financial acumen and an ability to communicate complex information in a succinct manner. Christian has been responsible for tax and corporate structuring in complex groups, and has provided his expert opinion on business valuations and taxation consequences to assist practitioners in the Family Law jurisdiction. Christian has also played a key role in several large transactions involving the acquisition or divestment of a range of assets.

Christian also holds a Non-Executive Director role of an NFP and has worked in Business Intelligence and Information Technology roles and consulting, providing expert advice to improve reporting, analytics, and business processes.

Christian assists the Directors in the preparation of expert reports including the valuation of businesses and equity interests, and the investigation of transactions, in a wide variety of industries.

### Professional and Academic Qualifications
