

Curriculum Vitae for Jinn-Khing Law Associate Director

Experience and Expertise

Jinn-Khing is a dual-qualified Accountant and Lawyer who joined the practice in August 2026.

Jinn-Khing formerly led the business services division attached to a national boutique family law firm. He provided full-service boutique business advisory services and acted as an internal financial consultant on family law and estate matters.

Jinn-Khing has extensive experience in the practical utilisation of forensic reports in legal disputes, including:

- Strategic collaboration with family law practitioners to develop the financial aspects of a dispute resolution strategy;
- Modelling financial interest and outcomes using a variety of financial information, including forensic accounting reports, across a wide range of family businesses;
- Briefing non-financial professionals to ensure understanding of complex financial structures and risks; and
- Advice in relation to risk-mitigated and tax-effective family business structures.

Professional and Academic Qualifications

- Member of Chartered Accountants Australia and New Zealand
- Bachelor of Commerce, Australian National University
- Bachelor of Laws, Australian National University
